Data: USGS & Gemini API

Earthquake Frequency vs. Global News Sentiment

Fetching USGS Earthquake data (M ≥ 3.0) for the last 30 days...

Generating synthetic daily news sentiment for the last 30 days using Gemini...

Correlation Analysis

Data Mapped: Nov 12 to Dec 12 (Total Days: 31)

Pearson Correlation (Quakes vs. Sentiment): 0.6761 (A number close to 0 means no linear relationship.)

Time Series: Quake Count, Rolling Average, and Sentiment

Configuration
